Recommendation: Approve Resolution No. 3337, to Establish Temporary Interfund Transfers of Special or Restricted Fund Moneys, and rescind prior Resolution No. 3280, effective August 17, 2023.

Background/Rationale: Education Code Section 42603 allows the District to engage in internal borrowings between any fund. Moneys may be temporarily transferred to another fund for payment of obligations. The transferred amounts shall not be available for appropriation or considered income to the borrowing fund and shall be repaid in the same fiscal year or in the following fiscal year if the transfer occurs within the final 120 calendar days of the fiscal year. Borrowing shall occur only when the receiving fund will earn sufficient income in the current fiscal year to repay the amount transferred, and no more than 75 percent of the maximum of moneys held in any fund during a current fiscal year may be transferred.

Financial Considerations: Provides flexibility to ensure sufficient cash flow.

LCAP Goal(s): Family and Community Empowerment; Operational Excellence
