Sexual Harassment

The Governing Board is committed to maintaining a safe learning environment that is free of harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by any person. The Board also prohibits retaliatory behavior or action against any person who submits a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The District strongly encourages any student who feels that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment, including cyber harassment/on-line/social media activity and/or sexual violence, that has a continuing effect on campus, to immediately contact their teacher, the principal, or any other available school employee. Any district employee who receives a report or observes an incident of sexual harassment shall notify the principal, Site Designated Title IX Administrator or a District Title IX Compliance Officer. Once notified, the Site Designated Title IX Administrator or District Title IX Compliance Officer shall take the steps to promptly investigate and address the allegation, as specified in the accompanying administrative regulation. District and site personnel shall take immediate steps to intervene when safe to do so when she or he witnesses an act of discrimination, harassment, intimidation, retaliation, and/or bullying. While the district has promulgated a written complaint form, there is no requirement that the reporting student provide their complaint in writing in order for an investigation to occur.
