

Verification of Enrollment/Course-Section Counts

The Class Size Average (K-12) report within Infinite Campus reports on the enrollment numbers per class per day and on average enrollment for a selected date range or year to date. This report calculates averages based on Instructional days. Make sure that the date range contains at least one Instructional day otherwise no data will be reported.

Path: *Index > CA State Reporting > Class Size Average (K-12) report within Infinite Campus.*

Recommended Settings: See Screenshot below

- Date Range: Current Date
- Report Date: Current Date
- Grade Level: ALL
- Report By: Section
- Students Format: CSV

The screenshot displays the configuration interface for the Class Size Average (K-12) report. The interface is divided into several sections:

- Date Range:** From 07/31/2017 to 07/31/2017.
- Report Date:** 07/31/2017.
- Grade Level:** A dropdown menu set to "ALL", with options KN, 01, 02, 03, and 04.
- Report by:** Radio buttons for "Teacher" and "Section", with "Section" selected.
- Include IS Students:** An unchecked checkbox.
- Format:** A dropdown menu set to "CSV".
- Select Sections:** A list box containing various course sections. The following sections are highlighted in blue:
 - 1000-1 HOMEROOM 1
 - 1000-2 HOMEROOM 1
 - 2000-1 HOMEROOM 2
 - 2000-2 HOMEROOM 2
 - 3000-1 HOMEROOM 3
 - 3000-3 HOMEROOM 3
 - 4000-1 HOMEROOM 4
 - 4000-2 HOMEROOM 4
 - 5000-1 HOMEROOM 5
 - 5000-2 HOMEROOM 5
 - 6000-1 HOMEROOM 6
 - 0000A-1 HOMEROOM KG - AM
 - 0000A-2 HOMEROOM KG - AM
- Select Calendar:** A section titled "Which calendar would you like to include in the report?" with three radio button options: "active year", "list by school", and "list by year", with "list by year" selected. Below this is a list box containing various school calendars, with "17-18 185 T NJ Bonnheim CC" highlighted in blue.
